Florida Department of Health in Broward County offers

FREE Back To School Immunizations.

(Broward County, FL) – The Florida Department of Health in Broward County will offer free immunizations for school age children during the month of August inside the Lauderhill Mall, located at 1299E NW 40th Avenue in the City of Lauderhill, FL.

IMMUNIZATIONS will be offered on the following dates and times:

Monday, Tuesday, Wednesday & Friday

August 9, 12, 13, 14, 16, 19 & 20 - 9:00am to 3:00pm

Thursday August 8 & 15 - 9:00am to 7:00pm

Parents and guardians are advised to prepare early and get the required immunizations for their child/children before the school rush.

Florida requires certain vaccines to be administered before children may enroll and attend childcare and school. For information on immunization schedules visit: www.immunizeflorida.com. For more information on Back to School Immunizations visit: www.browardchd.org or call, (954) 467-4705.

In order to be vaccinated, each child must be accompanied by a parent or legal guardian. Parent or legal guardian should remember to bring the child's immunization records.
